RPTA Offers Summer Tennis for Juniors

Time to reserve your child's spot for tennis this summer by registering for a week or taking advantage of the Summer Pass. Sessions begin June 3 and run through August 16. For more details, contact the Pro Shop.

Summer Block Scheduling

Court reservations using the summer block scheduling will begin on **Memorial Day Monday, May 27 and run through Labor Day September 2**. The summer heat has arrived so it is time to insure the courts are well maintained by a good midday watering. For those of you who are newer members, this simply means that start and finish court times will be available in specific blocks when making court reservations to maximize court usage times for everyone to get an early start and enjoy the cooler temperatures. New this season will be the option for members to book Club Court and Courts 1-4 for a 7:30am start on Monday through Saturday. The Pro Shop will continue to open at 8:00am so online reservations are the best method so players will know their court assignments.
